

Office of the Principal Govt. College for Women Gurawara

INFRASTRUCTURE AND FACILITIES

Session:2025-26

We are pleased to inform all students about the excellent infrastructure available at our college. To support both academic and co-curricular development, the following facilities are provided on campus:

Well-equipped Laboratories – Chemistry, Physics, Computer Science, Geography, and Psychology Labs.

Smart Classrooms & Lecture Theatres – Modern learning spaces with audio-visual facilities.

Library & Reading Rooms – A wide collection of books, journals, and digital resources.

Sports Facilities – Cricket, Handball, Kho-Kho, Volleyball, Kabaddi, Athletics, Indoor Games.

Grounds & Courts – Spacious fields and courts for regular practice and tournaments.

It is a matter of pride that many of our students have been selected to represent the college in Inter-University competitions, bringing laurels to the institution.

All students are encouraged to make the best use of these facilities, enhance their skills, and actively participate in both academic and extracurricular activities. For further details, please contact the concerned departments during office hours.
