

Session: 2025-26

Lesson Plan: Geography B.A. 1st Sem. Major (Theory)

Syllabus Title: Physical Geography

Week	Date	Topic
1	1 -2 August	Interior of earth
2	4-9 August	Geological Time Scale
3	11-16 August	Rocks and its type, theory of Isostasy
4	18-23 August	Continental Drift theory
5	25-30 August	Plate tectonic
6	1-6 September	Earthquake and Volcanoes
7	8-13 September	Unit test Revision
8	15-20 September	Weathering and Mass movement
9	22-27 September	Landforms generated by River & Glacier
10	29 Sep.- 4 October	Landforms generated by Winds and Under ground water
11	6-11 October	Unit test And Revision, Weather & Climate
12	13-18 October	Atmosphere Composition and Structure
13	20-25 October	Diwali Vacation
14	27 Oct.- 1 Nov.	Temperature and Airpressure
15	3-8 November	Humidity & wind system of Atmosphere
16	10-15 November	Surface Configuration of Ocean Frloor
17	17-22 November	Ocean Floor : Pacific, Atlantic & Indian ocean
18	24-29 November	Oceanic Currents : Pacific, Atlantic & Indian ocean
19	1-2 December	Full syllabus test & Revision

Note: 3 hours in a week.

Dr. Jyoti
Extension Lecturer
Geography Department

GCW Gurawara, Rewari

Session: 2025-26

Lesson Plan: Geography B.A. 1st Sem. Minor

Syllabus Title: Geography of Haryana

Week	Date	Topic
1	1 -2 August	Haryana : An Introduction
2	4-9 August	Physiography of Haryana
3	11-16 August	Climate of Haryana
4	18-23 August	Drainage System of Haryana
5	25-30 August	Soil of Haryana
6	1-6 September	Unit Test and Resolve the problem
7	8-13 September	Agriculture of Haryana: cropping pattern
8	15-20 September	Challenges of Haryana Agriculture
9	22-27 September	Major Industries of Haryana
10	29 Sep.- 4 October	Industrial Centers of Haryana
11	6-11 October	Population Distribution and Density
12	13-18 October	Population Growth of Haryana
13	20-25 October	Diwali Vacation
14	27 Oct.- 1 Nov.	Population Age structure and literacy
15	3-8 November	Unit Test and Resolve the problem
16	10-15 November	Pattern of Trade
17	17-22 November	Transportation of Haryana
18	24-29 November	Cultural Regions of Haryana
19	1-2 December	Revision and Full syllabus test

Note: 2 hours in a week.

Dr. Jyoti
Extension Lecturer
Geography Department
GCW Gurawara, Rewari

Session: 2025-26

Lesson Plan: Geography B.Com. 3rd Sem. MDC

Syllabus Title: Resource Geography of India

Week	Date	Topic
1	1 -2 August	Indian Agriculture: Characteristics
2	4-9 August	Factor Affecting of indian Agriculture
3	11-16 August	Dry land Agriculture : Problem & solutions
4	18-23 August	Distribution & production : Rice, Wheat
5	25-30 August	Distribution & production : Tea and Sugarcane
6	1-6 September	Unit Test and Revision
7	8-13 September	Water Resource development & irrigation mode
8	15-20 September	Irrigation mode and its intensity
9	22-27 September	National water mission and policy, Jal Shakti Mission
10	29 Sep.- 4 October	Distribution & production: Iron ore and Bauxite
11	6-11 October	Distribution & production :Mica and Limestone
12	13-18 October	Problem of Mining, Conservation of minerals
13	20-25 October	Diwali Vacation
14	27 Oct.- 1 Nov.	Assignment and test
15	3-8 November	Distribution & production :Energy resources
16	10-15 November	Distribution & production :Coal and Petroleum
17	17-22 November	Distribution & production :Solar & Wind Resource
18	24-29 November	Energy Crisis and Conservation
19	1-2 December	Test and Revision

Note: 2 hours in a week.

Dr. Jyoti
Extension Lecturer
Geography Department
GCW Gurawara, Rewari

Session: 2025-26

Lesson Plan: Geography B.A. 5th Sem.(Theory)

Syllabus Title: Economic Geography

Week	Date	Topic
1	1 -2 August	Economic Geography: Meaning and nature, Scope
2	4-9 August	Economic Activities and its type
3	11-16 August	Economic Activities and its Impact on environment
4	18-23 August	Resources : Meaning , concept and type
5	25-30 August	Resources :vegetation ,its utility
6	1-6 September	Resources :water and its utility
7	8-13 September	Resources :Fishries and its utility
8	15-20 September	Conservation of Resources
9	22-27 September	Unit test and map practice
10	29 Sep.- 4 October	Agricultural crops : production and Distribution
11	6-11 October	Mineral resources: production and Distribution
12	13-18 October	Energy resource: production and Distribution
13	20-25 October	Diwali Vacation
14	27 Oct.- 1 Nov.	Test and Assignments
15	3-8 November	Transportation of world : Raod and Railways
16	10-15 November	Transportation of world : water and Airways
17	17-22 November	Communication and Satellite resource of World
18	24-29 November	International Trade and WTO
19	1-2 December	Test and revision

Note: 6 periods in a week.

Dr. Jyoti
Extension Lecturer
Geography Department

Session: 2025-26

Lesson Plan: Geography B.A. 5th Sem. (Practical)

Syllabus Title: Economic Geography (Distribution Map)

Week	Date	Topic
1	1 -2 August	Distribution map : Meaning and type
2	4-9 August	Symbolization: Point, Line and Area
3	11-16 August	Symbolization: Point, Line and Area-Exercise
4	18-23 August	Qualitative Map : Chorocromatic Exercise
5	25-30 August	Qualitative Map : shading method Exercise
6	1-6 September	Qualitative Map : Choroschematic Exercise
7	8-13 September	Quantitative map: Dot method -Exercise
8	15-20 September	Choropleth method -Exercise
9	22-27 September	Isopleth method -Exercise
10	29 Sep.- 4 October	Isopleth method -Exercise
11	6-11 October	Diagramatic method -Exercise
12	13-18 October	Diagramatic method -Exercise
13	20-25 October	Diwali Vacation
14	27 Oct.- 1 Nov.	Prismatic Compass Survey: meaning and type
15	3-8 November	Prismatic Compass Survey: radiation method
16	10-15 November	Prismatic Compass Survey: Intersection method
17	17-22 November	Prismatic Compass Survey: 2 Exercics
18	24-29 November	Completion of File work
19	1-2 December	Vivo Revision

Note: 6 Periods per week.

Dr. Jyoti
Extension Lecturer
Geography Department
GCW Gurawara, Rewari

Session: 2025-26

Lesson Plan: Geography B.A. 3rd sem. Major & Minor (Theory)

Syllabus Title: Geography of India

Week	Date	Topic
1	1 -2 August	India : Location and Area
2	4-9 August	Physical Division of India
3	11-16 August	Drainage System of India
4	18-23 August	Climate of India
5	25-30 August	Soil and its problem
6	1-6 September	Unit Test
7	8-13 September	Natural vegetation : Type, Cover and Problem
8	15-20 September	Agricultural Pattern and Major Crops
9	22-27 September	Green Revolution and Its impacts
10	29 Sep.- 4 October	Source of Irrigation : Canals & Tubewells
11	6-11 October	Unit test and Revision
12	13-18 October	Population Distribution and Density
13	20-25 October	Diwali Vacation
14	27 Oct.- 1 Nov.	Population Growth: temporal and Spatial
15	3-8 November	Population Composition
16	10-15 November	Production & distribution of ironore,coal,petroleum, hydro and thermal power
17	17-22 November	Industry of India: Iron & Steel,sugar and Cotton
18	24-29 November	Tranportation & Communication of India
19	1-2 December	Assignment and revision

Note: 3 hours in a week.

Dr. Jyoti
Extension Lecturer
Geography Department

Session: 2025-26

Lesson Plan: Geography B.Com. 3rd Sem. MDC (Practical)

Syllabus Title: Resource Geography of India

Week	Date	Topic
1	1 -2 August	Distribution of net shown area in India
2	4-9 August	Exercise
3	11-16 August	Proportion of irrigated area: choropleth method
4	18-23 August	Exercise
5	25-30 August	Trend of Food grains: Rice Wheat and Pulses
6	1-6 September	Exercise of line graph
7	8-13 September	Exercise of line graph
8	15-20 September	Exercise of polygraph
9	22-27 September	Exercise of polygraph
10	29 Sep.- 4 October	Time series analysis of Energy Resources
11	6-11 October	Exercise for Crude oil production
12	13-18 October	Exercise for Natural gas production
13	20-25 October	Diwali Vacation
14	27 Oct.- 1 Nov.	Exercise for Coal production
15	3-8 November	Convectional and non-convectional energy resource production by comparative bar diagram
16	10-15 November	Exercise of comparative bar diagram
17	17-22 November	Revision and completion of File work
18	24-29 November	Vivo revision
19	1-2 December	Vivo revision

Note: 2 hours in a week.

Session: 2025-26

Lesson Plan: Geography B.A. 3rd sem. Major & Minor (Practical)

Syllabus Title: Geography of India

Week	Date	Topic
1	1 -2 August	Identification of Watershed of India's Rivers
2	4-9 August	Delineation on Map of Watershed of India's Rivers (Exercise)
3	11-16 August	Landuse Pattern of India
4	18-23 August	Pie chart of Landuse (Exercise)
5	25-30 August	Occupation Structure and Note its Data
6	1-6 September	Pie chart of Occupation Structure (Exercise)
7	8-13 September	Population Density Map of India: Choropleth
8	15-20 September	Population Density Map of India: Choropleth
9	22-27 September	Population Distribution by Dot Method
10	29 Sep.- 4 October	Age and Sex Pattern By Pyramid Diagram
11	6-11 October	Age and Sex Pattern By Pyramid Diagram
12	13-18 October	Major Industrial Region by Cartogram method
13	20-25 October	Diwali Vacation
14	27 Oct.- 1 Nov.	Major Industrial Region by Cartogram method
15	3-8 November	Rainfall Deviation Diagram
16	10-15 November	Rainfall Deviation Diagram : Exercise
17	17-22 November	Cropping Intensity by Bivariate method
18	24-29 November	Irrigation Intensity by Bivariate method
19	1-2 December	Completion of written sheet

Note: 2 hours in a week.

Dr. Jyoti
Extension Lecturer
Geography Department
GCW Gurawara, Rewari

Session: 2025-26

Lesson Plan: Geography B.A. 1st Sem. Major (Practical)

Syllabus Title: Physical Geography

Week	Date	Topic
1	1 -2 August	Identification of rocks
2	4-9 August	Collection of rock sample by pictures
3	11-16 August	Rocks Photo: Exercise
4	18-23 August	Topographical Sheet or Map : meaning
5	25-30 August	Sign used in toposheets: Exercise
6	1-6 September	Physiographic information for mountain area
7	8-13 September	Physiographic information for plain area
8	15-20 September	Physiographic information for Plateau area
9	22-27 September	Instruments for measuring weather elements
10	29 Sep.- 4 October	Exercise of Cllimograph
11	6-11 October	Exercise of hythergraph
12	13-18 October	Exercise of hytograph
13	20-25 October	Diwali Vacation
14	27 Oct.- 1 Nov.	Weather map: its publication and components
15	3-8 November	Interpretation of map for pre monsoon season
16	10-15 November	Interpretation of map for monsoon season
17	17-22 November	Interpretation of map for post monsoon season
18	24-29 November	Completion of file work
19	1-2 December	Vivo Revision

Note: 2 hours in a week.

Dr. Jyoti
Extension Lecturer
Geography Department
GCW Gurawara, Rewari
